Information For the Pre-Requisite Basic Shotgun Course

The NRA has required the Basic Course be taught in example for several years now. While your record of attendance and passing is electronic and should show immediately, if you choose to take another NRA Basic Shotgun Shooting Course, please get a certificate before leaving that class to present to us for admission into the Instructor Course. A pre-arranged shooting qualification time will need to be setup with us prior to the August course.

To Enroll: [NRA Training \(nrainstructors.org\)](http://nrainstructors.org)

To make your deposit and/or take advantage of our pre-pay online discount, please go to: [The Trainer's Group - Class Registration \(trainersgroup.net\)](http://trainersgroup.net)

NOTE: An additional 15.00 will be due to the range the day we shoot for targets. They accept CC, check and cash.
